

ADMINISTRATIVE AUTHORITY IN ABSENCE OF GOVERNING BOARD POLICY

In cases where emergency action must be taken within the District or on behalf of the District, and where the Board of Trustees has provided no guides for administrative action, the Superintendent shall have power to act. The decision made and/or the action taken shall be subject to review by the Board at its next regular or special meeting. It shall be the duty of the Superintendent to inform the Board promptly of such action and of the need for possible additional policies or revisions of existing policies.
