

RETIRED ADMINISTRATORS: PAYMENT OF GROUP MEDICAL INSURANCE PREMIUMS

Group major medical insurance coverage carried by the District will continue to be paid by the District for all administrators, age 55 or older, who retire under the State Teachers Retirement System (STRS) or the Public Employees Retirement System (PERS). This provision will apply only to those administrators who remain fully retired as defined by the appropriate retirement system until the administrator reaches age 65 when this benefit will cease. Such coverage will apply to eligible dependents under terms as provided to regular full-time administrators. Dependents' benefits will cease when the administrator reaches age 65 or upon the death of the administrator.
