

ASSURANCE OF COMPLIANCE WITH CONDITIONS OF SPECIAL PROJECT FUNDING

The Board of Trustees of the Fullerton Joint Union High School District, upon accepting an entitlement or grant from State, Federal, or private resources, assures compliance with all applicable Federal and State laws and regulations in the use of those funds.

The acceptance of supplemental funding and the implementation of optional special program(s) will enhance and supplement the District's ongoing programs.

Special project funded programs will have criteria, goals, and objectives compatible with District criteria, goals, and objectives.

Special project funded programs will be evaluated annually.

Special project funded programs will be implemented consistent with all other applicable District policies, administrative regulations, and established timelines.

Information regarding special project funded programs will be made available to parents and other interested parties in a timely manner.

Special project expenditures will not be greater than the amount of income received from the entitlement or grant.

The Superintendent or designee is responsible for developing and maintaining regulations and/or procedures that are current, in compliance with program assurances and timelines, and which effectively carry out the intent of this policy.
