

**WORK PERMITS**

The Board of Trustees recognizes that part-time employment can provide students in the District with income as well as job experience that can help them develop appropriate workplace skills and attitudes. Upon obtaining an offer of employment, District students who are minors shall obtain work permits from the Principal or designee in accordance with law, regardless of whether the employment will occur when school is in session and/or not in session.

In determining whether to grant or continue a work permit, the Principal or designee shall consider whether employment is likely to significantly interfere with the student's schoolwork. Students granted work permits must demonstrate and maintain a 2.0 grade point average, satisfactory school attendance, and be on track to graduate. On a case-by-case basis, the Principal or designee may approve a maximum work hour limit that is lower than the limit specified in law and administrative regulation.

The Superintendent is directed by the Board of Trustees to develop regulations to implement this Policy.
