

FORMULATION, ADOPTION, AMENDMENT OF ADMINISTRATIVE REGULATIONS

The Board of Trustees does not adopt administrative regulations unless specifically required to do so by law or unless requested to do so by the Superintendent. Adoption and amendment of such Board-adopted regulations shall be by the same procedure as that specified for policies in Bylaw 9311.

The Board reserves the right to review and direct revisions of administrative regulations should they, in the Board's judgment, be inconsistent with the policies adopted by the Board.
